

Bow School District, SAU #67

Superintendent's Report

December 2, 2010

December is a busy time of year in schools, but also very fun. As a board we will be working on our budget to be able to finalize it for transmission to the budget committee in January. As administrators we will be preparing to implement the Bullying policy in January and we will be working on the training for the new SIS system. However, with all that business, we also will take some time to enjoy our students and staff as they learn about and celebrate the holiday seasons.

Presentations:

The Educational Focus is a presentation by three teachers about how they use the Smartboard technology in their classrooms to enhance instruction.

Follow-up information:

Finalizing the restraint and Bullying policies needs to be done. We also will have a follow-up conversation about concussion protocols from our work session

Action Issues:

There is a leave request for next year.

Committee Work:

We do need to talk about the Calendar Committee as that group will do its work in January.

Future Issues:

The Budget work session dates are December 3rd and 9th 8-3 at BHS. We plan on accessing the BHS cafeteria for lunch

Non-public Session:

The board should plan on meeting in non-public to discuss negotiations issues.
