Budget

The budget process in preparation of the Annual School District Meeting is complete. I would like to thank all involved for their hard work.

Warrant

The School District Warrant has been finalized and approved by the Department of Revenue Administration and school district legal counsel. The warrant and DRA Budget Form (MS-27) was posted at the three school buildings and the Town Offices on February 9, 2011.

BES Water Issue

As you know, we had a well issue at Bow Elementary School. We will give an update of what happened, what the corrective actions were and the status of the well at the Board meeting.

Governor's Budget Proposal

Governor Lynch presented his 2011-2013 State of New Hampshire Budget proposal on February 15, 2011. The budget as presented has significant changes for education in New Hampshire as well as direct impacts to the Bow School District. We will discuss the potential impact with the full Board at the March meeting.
